Subject of News Report	"DENR limits areas for mining activities" posted in philSTAR.com on April 25, 2018.
Date of Publication	Apr 25, 2018
Clarification of News Report	

A new article posted in Philippine Star (Internet edition) on April 25, 2018 entitled “DENR limits areas for mining activities” posted in philSTAR.com on April 25, 2018. The article reported in part that:

“MANILA, Philippines — The Department of Environment and Natural Resources (DENR) is limiting the areas to be mined and developed as the government moves toward prioritizing environmental rehabilitation of the country’s mineral operations.

Based on its latest department administrative order, which is up for Environment Secretary Roy Cimatu’s signature, DENR is limiting production areas from 50 to 162 hectares depending on the mine’s annual production volumes.

Nickel mines that are producing up to one million metric tons annually will be allowed to work on 50 hectares and can reach up to 100 hectares for those with output of more than nine million MT.

Mine sites with processing plants can develop up to 162 hectares.

...
The mining firms have also expressed concern over the schedule of the implementation of order. The DENR wants it implemented in the next six months.

...”

The Exchange directed the Company on April 25, 2018 to comment on the subject article. Please be advised that VIMC has no operations and will not be affected by this administrative order.
